

PGY1 Pharmacy Residency Program

PROGRAM DESCRIPTION

The PGY1 Pharmacy Residency program has been ASHP-accredited since 1986. Four residency positions are available on an annual basis. Over 25 qualified preceptors with prescribing privileges provide teaching and mentoring to our pharmacy residents in a variety of training areas.

A resident completing our program will be a highly skilled practitioner able to provide direct patient care in both inpatient and outpatient settings. The practitioner will be competent in patient-centered pharmaceutical care for acute care and ambulatory patient populations, which includes being knowledgeable in pharmacy operational services. The resident receiving a certificate will be prepared to accept any patient care pharmacy position, especially within the Veterans Affairs Health Care System.

WHY ALBUQUERQUE?

Albuquerque is located in the heart of the Land of Enchantment with mild winters and pleasant summers. Year-round golf and tennis, museums, fiestas, theaters, fine dining, music, sports, and numerous cultural activities make the high desert city full of exciting attractions and events. A ride up the Sandia Peak Aerial Tramway puts you atop the Sandia Mountains where you can look over 15,000 square miles of magical landscape. To the west, the Rio Grande meanders through a cottonwood-lined valley, below dormant volcanoes silhouetted against the fiery red sunsets. Outdoor activities are vast with over 400 miles of bike paths and trails, skiing, mountain climbing, fishing, hunting, and more.

Come and discover the Land of Enchantment!
